IIC Meeting report:

The Department of Computer Science (UG & PG) and the Institution's Innovation Council of St. Mary's College (Autonomous) jointly organised a webinar on "Patent Filing Process in India" on 19-11-2022 at 03:00 p.m. through Zoom platform. Dr. K. Hema Shankari, Associate Professor, Department of Computer Applications, Women's Christian College Chennai was invited as a resource person to enlighten the participants on the topic. The meeting began with a prayer and welcome. The speaker gave a brief introduction of IPR and explained the various related terms. The procedure for the application of patents and the various steps involved in it are described. She gave several examples of patents created by Indian school students. At the end, the speaker resolved all the queries asked by the participants. The students found the lecture very interesting and informative. Nearly 9 staff members and 135 students from our college have taken part in the webinar, which showed them how small innovations influence society at large and how they should indulge in innovating and patenting ideas. Finally, the feedback session was held, followed by the vote of thanks.
