### ➤ Report

The Department of Botany organised a guest lecture on " General characters and multiplication of TMV" through on 15th October 2020. Dr.T.Jebasingh, Assistant Professor, Department of Plant Sciences, Madurai Kamaraj University, Madurai was the resource person. He explained the general characters of virus, structure and multiplication of Tobacco Mosaic virus. With the help of powerpoint presentation he shown the symptoms of viral disease and the diseased plants visually. The III B.Sc. students acquired more information about virus from the lecture. The III UG Botany (38) and I PG Botany (5) students benefited a lot from the lecture.
