organises

NATIONAL SEMINAR

on

**Human and AI :
Reimagining the Future of
Work**

11th September, 2026

8:30 A.M.

CONFERENCE HALL

ABOUT THE DEPARTMENT

M.A.HRM

MHRM, the UGC sponsored Innovative Programme was established in the year 2012, under the Nodal Department of Commerce. The Programme was restructured as MHRM to M.A.HRM from 2024. The Programme focuses on critically assessing the role of human resources in modern organisations, from hiring procedures to strategies for motivating employees and systems for developing and retaining talent. With a great scope M.A.HRM has surfaced as a lucrative career option and this programme has been designed to develop highly competent HR professionals.

ABOUT THE SEMINAR

The seminar will provide practical insights into AI-driven workplace transformation, emerging HR practices and future-ready skills. It will help participants understand how to adapt to technological changes, strengthen human capabilities, and prepare for evolving career opportunities in the future workplace.

ABOUT THE COLLEGE

St. Mary's College (Autonomous), a premier institution of higher education, founded by the Congregation of Mother of Sorrows Servants of Mary in the year 1948, plays a significant role in shaping the destiny of innumerable young coastal women in and around Thoothukudi. With a proud legacy of 77 years, the college has excelled in every discipline keeping in pace with the global trends in the academia. Enhancing human dignity by empowering the women has been its main concern. Started primarily to benefit the catholic minority, the college strives hard to reach out to the society, mostly identified as economically backward and socially underprivileged. Slow and steady progress marked the growth of the college and higher education for women gained momentum.
