23-12-2021- Christmas and New Year celebration was held at Maravanmada. Sanitary products and sweets were distributed to the household and people of Maravanmadam.

17-02-2022- Voting awareness programme was held at Maravanmadam by the students. In the programme the importance of casting vote and other aspects of election were discussed.

23-04-2022

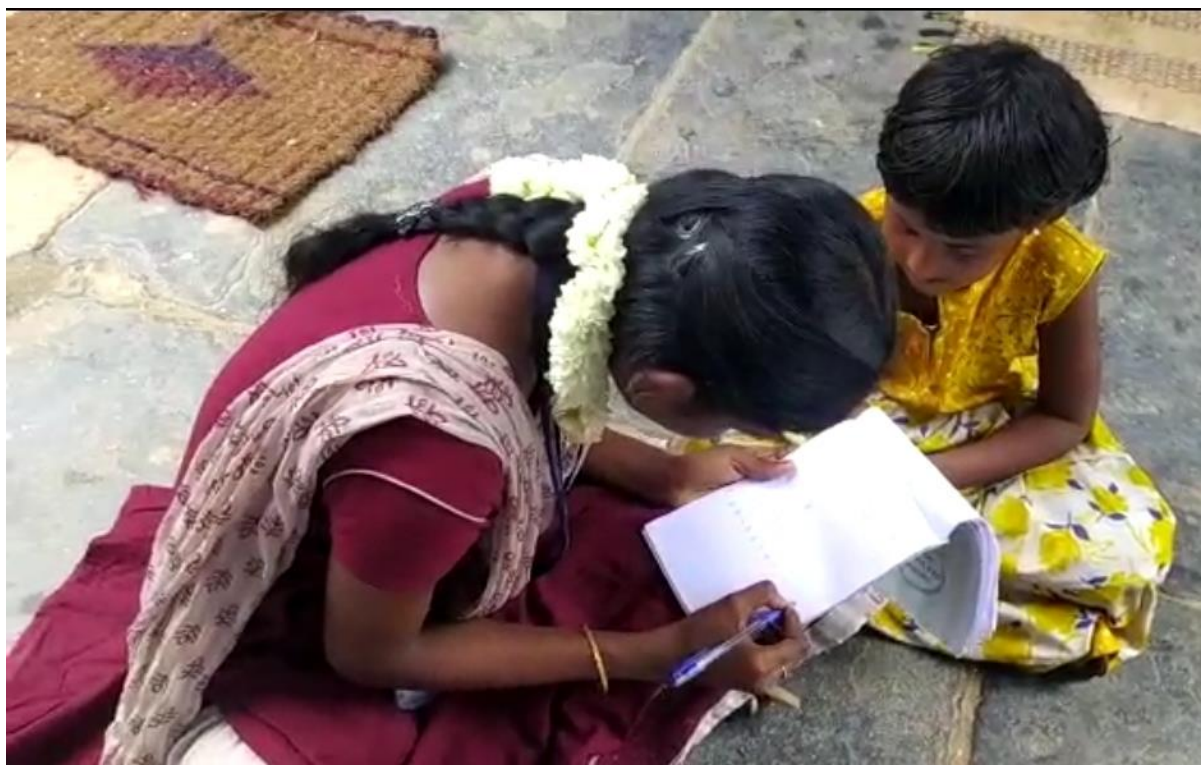

Department of Economics conducted a one day programme in Maravanmadam as the part of community development programme. The one day programme was on rain water harvesting, Area cleaning and tuition to the elementary students.

In Maravanmadam thirteen students and staff in charge Assistant professor Alfreeda T A carried out the programmen. The programme started at 11.45 am and concluded at 4pm.

In the first part of the programme we conducted awareness programme on rain water harvesting. Students and staff went to each household and created awareness on rain water harvesting. We covered almost 50 households. The village people was interested to learn about the various methods of rain water harvesting.

In the second part of the programme we took tuition for students. Maravanmadam is a socially and economically backward area. Children of this village is studying in vernacular local schools. Our second year students took tuition to these children. The subjects included are English, mathematics and general knowledge.

In the last of the programme we carried out area cleaning. Students and staff actively engaged in cleaning. We cleaned areas such as main road, pocket roads, temple premises, Church premises etc.
